

BINDER METAL PRODUCTS

I N C O R P O R A T E D

20th December 2019

Certificate of Compliance: RoHS; China RoHS; EU REACH; California Proposition 65; Asbestos-free; Ozone Depleting Substances & Persistent Organic Pollutants (Stockholm Convention)

EU RoHS 3 & China RoHS 2

Binder Metal Products, Inc. certifies that custom/standard part(s) sold as "Trivalent, Finigard, Geomet, Magi, ROHS, "Hex Free, and/or CR6 coated" comply with the EU RoHS 3 (Restriction of Hazardous Substances) 2015/863 Directive and also with Republic of China MIIT Order No. 32 (China RoHS 2) and that they do not exceed the maximum permissible concentration values:

- ✓ Lead Pb - 0.1% by weight in homogenous materials
- ✓ Mercury Hg - 0.1% by weight in homogenous material
- ✓ Cadmium Cd - 0.01% by weight in homogenous material
- ✓ Hexavalent chromium - 0.1% by weight in homogenous material
- ✓ Poly Brominated Biphenyl PBB - 0.1% by weight in homogenous material
- ✓ Poly Brominated Diphenyl Ether PBDE - 0.1% by weight in homogenous material
- ✓ Bis(2-Ethylhexyl) phthalate (DEHP): 0.1% by weight in homogenous materials
- ✓ Benzyl butyl phthalate (BBP): 0.1% by weight in homogenous materials
- ✓ Dibutyl phthalate (DBP): 0.1% by weight in homogenous materials
- ✓ Diisobutyl phthalate (DIBP): 0.1% by weight in homogenous materials

Standard/Custom parts with the following coatings:

Trivalent
Finigard
Geomet
Magni
Hex Free
ROHS
CR6

Description

Washers, stampings,
spacers, Brackets

EU REACH Regulation (SVHC 201)

In 2007, the European Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force. As of July 2019, the list contains 201 Substances of Very High Concern (SVHCs).

Binder Metal Products, Inc. can confirm all custom/standard product(s), as stated above, do not contain SVHCs at levels in excess of 0.1% w/w, and therefore no products require REACH registration:

We work closely with our suppliers regarding chemical usage to ensure the meeting of all regulations. In the future, if our monitoring indicates a change in Reach status for any product we supply, we will inform that customer(s) accordingly and register that chemical with Reach.

Compliance with The Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65)

Binder Metal Products, Inc. certifies that all custom/standard parts, as stated above, comply with The Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65) based upon the list of chemicals published under this legislation on December 29, 2017.

We work closely with our suppliers regarding chemical usage to ensure the meeting of all regulations. In the future, if our monitoring indicates a change in the published lists of chemicals which relates to any product we supply, we will inform customers accordingly.

Declaration of Asbestos-free Status

Binder Metal Products, Inc. certifies that all custom/standard parts, as stated above, are free from asbestos and asbestos-related compounds.

Declaration of Free from Ozone Depleting Substances

Binder Metal Products, Inc. certifies that all custom/standard parts, as stated above, are free from Ozone Depleting Substances.

Declaration of Compliance with Stockholm Convention (Persistent Organic Pollutants)

Binder Metal Products, Inc. certifies that all custom/standard parts, as stated above, are free from all 33 Persistent Organic Pollutants currently within the scope of the Stockholm Convention.

Declaration of Compliance with EU Radioactive Substances Regulations

Binder Metal Products, Inc. certifies that all custom/standard parts, as stated above, meet the following requirements of EU Regulation 2013/59/EURATOM:
<http://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32013L0059&from=EN>

Declaration:

We declare that the above-named Binder Metal Products, Inc. complies with and conforms to the above-stated requirements, standards and legislation:
